## **MESSAGE**

I am pleased to know that the Fr. C Rodrigues Institute of Technology, Navi Mumbai, is organizing the 5<sup>th</sup> Biennial International Conference of Nascent Technologies in Engineering on January 20 and 21, 2023.

It is heartening to note that academicians and experts from across the country are attending the conference. The event promises to be an intellectually rewarding experience for all the delegates and students.

I congratulate the Institute for its initiative in organizing the Biennial Conference and wish the participants fruitful deliberations.
