MESSAGE

It is indeed a pleasure to know that Fr. Conceicao Rodrigues Institute of Technology, Vashi, Navi Mumbai, organizing their 5th Biennial International Conference on Nascent Technologies in Engineering, ICNTE 2023.

Fr. C.R.I.T. is also known for its standardized regimen in the teaching learning methodology due to which the institute has been consistently giving out top rankers in the University of Mumbai year after year from the time of its inception. The determined efforts put in by them have earned them the 'Best College Award' under urban area category by University of Mumbai for the year 2020-21.

I am looking forward to give and take of fruitful ideas by intellectuals on various topics which would be a part of the domain of the conference. We look forward to seeing many research based ideas emerging out of this Conference not just in core fields but also in interdisciplinary fields, which would lead to actual research and development.

I would like to congratulate the Principal of Fr.C.R.I.T., Dr. S.M. Khot, for leading his staff and management towards the making of ICNTE 2023.

Congratulations also to the entire management of Fr. C.R.I.T and all the staff involved in the organizing of the conference and Best Wishes to all its participants. I hope to see participation in large numbers and wish you all every success!
